What price should I choose? The pricing option you select in no way affects your campers experience at Kintail. Every family can choose the level of payment that is right for their situation. Option A is the traditionally subsidized rate, Option C is the rate that is more representative of the true cost of camp, while Option B is the midpoint. These lower rates are made possible by donations from individuals and churches. Please choose the option that suits your needs best.

Leader in Training Program

LITs will come to Kintail for two weeks of the summer to live in community. They will live with their LIT Resource Counsellors in the Nest, spending time in sessions, on adventures, and creating memories. LITs are then able to return to camp to volunteer and spend time learning from the Kintail Staff how to be a cabin counsellor or support staff member. After completing the two weeks of living in community, LITs can choose from any of the sessions listed below throughout the summer for their volunteer weeks. LITs are able to stay the weekend if they are participating in the next week's cabin session, if not, they must go home at the close of the session.

Throughout their time in cabins or working with the support staff, the LITs will participate in check-ins and sessions with the other LITs. They will lead a FLASH (Faith, Learning, and Sharing) session, run a campfire, prepare morning Chapel, lead a morning activity, and assist the cabin counselors. Volunteering for additional weeks in cabin may be possible.

Family Camp

Family Camp is back! We have limited spaces available for friends of Kintail to join us for the long weekend this summer. The same delicious food and hospitality as in years past will greet you! Pricing for Family Camp will be the same as A Weekend Away, with variable prices depending on accommodation type (Nest or Cabin) as well as age (Adult or Child). All guests who visit Kintail will have similar activities offered to them, but Family Camp has extra emphasis on reliving a typical day as a camper with the whole family (FLASH, Chapel, Campfire, etc). You'll love a weekend away OR family camp!

What session should I choose for my camper?

All campers who visit Kintail will get to enjoy the same core activities! Children will spend time every single day at the beach and will have opportunities to canoe, kayak, paddleboard, or corcl. Campers will all have the chance to participate in activities at the high challenge course (ages 7+), archery, slide, slingshot, arts and crafts, hiking, and so much more! The differences between the camps are often more to do with how a campers day is structured versus what happens within that day.

SUMMER CAMP SESSION DESCRIPTIONS

Outdoor Adventure

Located on the Kintail site, campers will stay in yurts or cabins. These campers will prepare one third of their meals over the fire and have another one third sent to their site from the kitchen. The remaining meals will take place in the MacDonald Lodge Dining Hall. ODA is a more relaxed, nature based camp. These sessions are perfect for campers who do well with a small group and love spending time in the woods.

Discovery Camp

Enjoy meals served at MacDonald Lodge while exploring all the fun activities camp has to offer. These campers will have opportunities to try out all of the fun programs at Kintail and rotate as a cabin to try a variety of programs with their counselors. A great all-around "classic summer camp" experience!

Volunteers of Kintail

Designed for high-school students, campers will get to participate in all of Kintail's activities and programs while earning community service hours which count towards their high school diploma! They help with dishes after each meal but get a chance to enjoy the ropes course and go to the beach every day.

Pre-LIT

Pre-LITs will gain valuable skills relating to leadership at home, school, and in the community as well as ORCKA certification in flat-water canoeing. They will also learn about teamwork through games, initiatives, and activities. FLASH is a time of exploration of leaders from the Bible. This is sure to be an epic week of fun, friendship, and fostering new confidence and skills.

Our professional kitchen staff provide nutritious and plentiful food for everyone to enjoy, with a careful crafted child-friendly menu for our campers. We are happy to accommodate any dietary restrictions upon request, and always have a full salad bar as well as bread, soy butter, and jam available if a camper would prefer a sandwich.
