

CAMP KINTAIL COVID-19 UPDATE

Covid 19 Update
January 8, 2021

Happy New Year! Happy Epiphany! The twelve days of Christmas conclude on January 6, known as Epiphany. Traditionally this day celebrates the visit of the magi to Jesus and the revelation of God in the child in the manger. We celebrate the light of the world, as the daylight is slowly lengthening. We look forward to the new year ahead of us with hope.

Ontario is currently in a lockdown, and this includes Camp Kintail. The Camp is closed to guests and visitors at this time. Some Kintail staff live and work on site, and we are working to keep everyone safe. You can always reach Kintail by email or phone. When it is safe, we hope to be able to offer overnight and day trips for socially distanced retreats and winter activities.

No decisions have been made about the 2021 summer camp schedule. We are awaiting guidelines from the Ontario Camps Association (which will be reviewed by a team at SickKids Hospital in Toronto and the Ontario Ministry of Health) and guidance from Huron Perth Public Health before releasing any summer plans. The health, safety, and well-being of our campers and guests is our top priority. Over the next month, we know that more information will be available to help us make informed and safe decisions.

We are hopeful that with vaccines rolling out and all of us doing our part, that there will be programming at Camp Kintail this summer. We will keep everyone posted on the plans through the website, social media, and the Kin-Tales newsletter.

In hope,
Rev. Theresa McDonald-Lee & Johnathon Lee
