

CAMP KINTAIL COVID-19 UPDATE

COVID-19 Update
November 12, 2020

Dear friends,

It has been a joy and a delight to welcome so many friends to Kintail through the “Weekend Away” retreats and the monthly Sunday Night Dinners. In the spring, we were worried that the camp site would remain empty all summer and fall. We definitely missed our summer campers and our school groups and retreat guests, but it felt wonderful to share the site with individuals and families who really did need a weekend away.

There are just three more events on this calendar year – the Women’s Retreat, the Advent Weekend Away, and the December Sunday Night Dinner. Feathers and the Nest remain available for retreats for individuals and families. Due to the changing circumstances of the pandemic, we will not be offering any additional retreats until at least February. We hope to announce some new opportunities to safely come to Kintail in the winter in the new year.

We are waiting for guidance from Huron Perth Public Health and the Ontario Camps Association before publishing a schedule for next summer. We always want to meet and exceed any health and safety regulations and keep all our campers, staff, and guests safe. We remain hopeful that there will be a summer camp season next year, although it will likely be smaller and look different.

We are grateful for the support and encouragement we have received from the Camp Kintail community. Your prayers, donations, and cards of support have made a huge difference. All of us at Kintail continue to work to create Christian community, carrying on with the mission of Kintail even under difficult circumstances. If you would like to donate, it is easy to do so [on-line](#).

Grace and peace,
Rev. Theresa McDonald-Lee & Johnathon Lee
Executive Directors
