

Camp Kintail Winter Program Guide

Welcome to Camp Kintail!

Camp Kintail is a place of fun, games, and outdoor adventure education that is fully accessible. We are located on the snowy shores of Lake Huron, nestled amongst cedar groves and rolling hills. We work with a wide variety of groups from all ages and provide them with a unique and customized camp experience to suit their needs.

The winter season transforms our site into a winter wonderland where we are able to offer a variety of outdoor and indoor activities for groups to take advantage of. Whether you are looking for a one-day adventure, or a fully programmed multi-day retreat, Camp Kintail is happy to accommodate. Sign-up today - what better way to enjoy the winter than snuggling up with a hot cup of hot chocolate by the fire after a day of snowshoe hiking, skiing around site, and skating?

Note: Nest and MacDonald Lodge are open year-round for both day and overnight retreat adventures.
