Welcome

We are very excited about your interest in joining us at Camp Kintail for an unforgettable summer experience. Kintail is a great employment opportunity for people who genuinely enjoy working with children and youth. Working at Kintail gives you the chance to work with different visitors and guests from around the world including (but not limited to) campers, students, teachers, parents, volunteers, alumni, wedding guests, rental/retreat guests, and church members. You will be a key member to Kintail's development and be able to lend your unique and individual skills to enhance the Kintail programs and facilities. It has been a privilege and a blessing to have new and returning staff join our team. We are thrilled you are considering joining us this summer!

Camp Kintail is an equitable employer. We are working to remove barriers to employment for people who are underrepresented in the workplace, particularly in the outdoor industry- Black people, Indigenous people, people of colour, people with disabilities, LGBTQI2S people, and newcomers to Canada. We recognize the inherent value and dignity of each person who works at Camp Kintail, and our goal is to ensure that all people have open access to employment opportunities here.

Who Are We?

Camp Kintail is a Presbyterian Church Camp that reflects the church through our employment. All that we do at Kintail brings us together in a community that joins with creation in praising God. Our Mission: **Camp Kintail joyfully responds to God's call by providing Christian hospitality and programming forming a community where people play, live, and grow in God's creation.** It is important to have a personal life of faith where you feel comfortable talking and teaching about God. As a staff member you are expected to participate in chapel, singing, and staff bible study. Furthermore, you are expected to lead camper bible studies (from provided materials and lesson plans) throughout the summer. Training for these sessions will be provided by Camp Kintail and will be paid time. Camp Kintail's community is dispersed throughout the world in ways that make a positive difference in local communities and congregations.

2022 Staff FAQs

How do counselling and programming positions work?

For those returning to Camp Kintail - you'll notice our positions will operate differently than before - and for those just joining, we cannot wait to have you on our team! Counsellors will both counsel and lead programming. When you apply we invite you to share your interests and skills to help us determine which sessions you will enjoy leading. We will provide training and session materials to go along with your creative counselling skills! As a program coordinator, you may also be required to counsel given the circumstances of the week. **The majority of staff at Camp Kintail will be counsellor-programmers.** Don't worry - you and your co-counsellors, as well as a team leader, will assist with leading the fun sessions!

What will I be doing when I am not counselling or leading programming? Similarly to before, you may work in the kitchen or assist with site maintenance. Nonetheless, you'll learn some great new skills and may even discover a new interest!

I noticed camp ends on Friday, what does this mean for staff?

Staff can head out on Friday evening after the site is finished being cleaned and all campers have gone home. Alternatively, staff can stay on site and work a small shift to help with the weekend group - whether it be a group rental or wedding.

I have more questions and concerns, who should I reach out to?

We understand this year will be much different than years past. As always, when we have more information and clarity on what to expect, we will let you know. If you have additional questions or concerns, you can contact Christina "Piglet" Molenaar at christina@campkintail.ca.
